WARRIOR CAMPS: CHAMPIONS ARE BUILT THROUGH CHARACTER AND HARD WORK

Character through Warrior Sports Camps

The summer of 2010 provides the 28th session of Nyack College Warrior Sports Camps. Warrior Camps have placed an emphasis on the teaching of the fundamentals of the game while emphasizing character development. Over 5,500 young men and women have benefited from Warrior Sports Camps at Nyack College.

Camp Philosophy

Nyack College Warrior Camps seek to provide quality instruction in the fundamentals of offensive and defensive basketball while providing an understanding and practical application of the sport. This is done within the context of character development and sportsmanship.

Facilities

Bowman Memorial Gymnasium was built in honor of Nyack Alumnus Harold Bowman and is the centerpiece

of our basketball program. There is a brand new college-sized floor which provides a great venue for our camp.

The Field House enables students and athletes to play all court and field sports 12 months of the year.

This air conditioned facility allows athletes to participate and exercise indoors when relief is needed from the heat and sun in the "dog days" of summer.

All Warrior Camps include:

Camp T-shirt

Camp Basketball

Personalized Instruction
