**Welcome**

*“For I am confident in this very thing, that He who began a good work in you will be faithful to perfect it until the day of Christ Jesus.”* Philippians 1:6

There are many reasons you may choose to pursue your seminary education at Alliance Theological Seminary, although in the end, only one really matters.

You may come to ATS because of our commitment to your academic preparation—the professors who will instruct you are some of the best in their academic fields.

You may come to ATS for the Christian fellowship that exists among our students, faculty, and staff—our campus is a community of brothers and sisters in Christ, and the friendships you will form here won’t just last a lifetime. They will last an eternity.

You may come to ATS to grow in the faith—our highest priority is your spiritual preparation. The seminary has always excelled at equipping the saints for every good work, and helping sharpen Christian men and women for God’s service remains the focus of all our diligence and our most earnest prayers.

You may come to ATS because you will practice what you learn. Ministry opportunities abound here. Experience is a great teacher—especially with guidance from caring and competent faculty. ATS is known for graduates who already know how to serve and minister.

Ultimately, though, I pray that if you choose to come to ATS, it will be because God is calling you here. As I stated above, this seminary—this community of maturing and committed Christians—exists to prepare believers for whatever God calls them to do. If you come to ATS, our charge before the Lord will be to help you grow academically, experientially and spiritually so that you can glorify Christ with your life.

This is a great responsibility—a responsibility I, along with our entire faculty and staff, eagerly embrace. We understand that if God is leading you here, then He has a plan for you here. And if He has a plan for you here, then He has a plan for us, too. It is my hope that the next steps in your walk with Christ will be at ATS. We would consider it a privilege to take those steps alongside you.

## **HISTORY**

ATS has its roots in the program of Jaffray School of Missions, founded in 1960 under the leadership of President Harold Boon and Academic Dean Thomas Bailey, which emphasized the interdisciplinary encounter between theology and the social sciences. In 1974, the Jaffray program was redesigned to include the preparation of students for North American as well as overseas ministries. The name of the school was subsequently changed to Alliance School of Theology and Missions, and for the first time the Master of Professional Studies degree was offered.

In September of 1979, the Master of Divinity program was initiated, and Alliance School of Theology and Missions became Alliance Theological Seminary. Increased course offerings and additional faculty have enhanced the seminary's commitment to the worldwide evangelistic task of the church. This commitment has permeated all facets of its program.

The Christian and Missionary Alliance is the sponsoring denomination of the seminary. The C&MA began in 1887 when Albert B. Simpson founded two organizations, the Christian Alliance (an interdenominational fellowship of Christians dedicated to experiencing the deeper Christian life) and the Evangelical Missionary Alliance (a missionary sending organization). The two merged in 1897 and became The Christian and Missionary Alliance.

Dr. Simpson organized a training school for missionaries in New York City in 1882. The school moved to the village of Nyack, New York, in 1897 and in time became Nyack College. ATS, then the Jaffray School of Missions, was founded as a graduate program of Nyack College in 1960. Even as the C&MA was first a missionary sending agency, which became a missionary denomination, so Jaffray School of Missions has become a missionary-minded seminary. The common goal of the C&MA and ATS is to proclaim the gospel of reconciliation to all people.

In 1997 Alliance Theological Seminary established a satellite program in lower Manhattan. The goal of the ATS-NYC campus is to make seminary studies accessible to those who work in the city and to provide a thoroughly urban context for theological education.

The Christian and Missionary Alliance recognizes ATS as the denomination's official, national seminary in the United States. Although the seminary was established by and for the C&MA, it serves a student population of diverse denominational backgrounds.

## **MISSION**

Alliance Theological Seminary is the national seminary of The Christian and Missionary Alliance, centered in metropolitan New York with extensions in other parts of the United States and abroad. As a multicultural, evangelical seminary, ATS is committed to developing in men and women a personal knowledge of God and his work in the world in order to equip them for the ministry of the gospel of Jesus Christ and the expansion of his church.

This statement of mission implies the following:

First, submission to the authority of God's revelation in the Old and New Testaments and its applicability to human life in every age and every culture within the framework of the historic evangelical Christian faith.

Second, a commitment to serve the C&MA through (1) its location in a major metropolitan, multicultural environment, (2) its intentional urban involvement, (3) its transcultural emphasis in programs so as to provide the best possible training ground for ministry within this missionary-sending denomination and within the 21st century church at large, (4) the intercultural and international character of its faculty, staff and student body.

Third, the development of students according to their needs and potential through the integration of spiritual and character formation, theological and social science education, and ministry skill competency. Students are encouraged to know God and his work, particularly across national, racial and cultural lines, so that they can help others know and respond authentically to his grace.

## **CORE VALUES**

Nyack College and Alliance Theological Seminary seek to exalt Jesus Christ and fulfill their mission by being:

**Academically Excellent:** Pursuing academic excellence in the spirit of grace and humility.

**Globally Engaged:** Fostering a global perspective within a multi-ethnic and multicultural Christian academic community.

**Intentionally Diverse:** Providing educational access and support to motivated students from diverse socioeconomic backgrounds.

**Personally Transforming:** Emphasizing the integration of faith, learning, and spiritual transformation.

**Socially Relevant:** Preparing students to serve in ministerial, educational, healing, and community-building professions.

**MODEL**

*“The Fear of the LORD is the beginning of Wisdom (hokhmah); Knowledge (da’at) of the Holy is Understanding (binah).” Proverbs 9:10*

Alliance Theological Seminary is committed to providing the environment, program and resources necessary for the attainment of Biblical WISDOM (*hokhmah*). This wisdom includes but is not limited to the intellectual. It is fundamentally personal, social and practical. Some components of Biblical wisdom are maturity, knowledge, proficiency, and praxis.

This commitment may be expressed in four distinctive goals (each of which is more precisely defined by particular objectives the Seminary desires its students be able to do):

1. To provide the resources and environment in which students can mature in spiritual and character formation.
  - Distinguish strengths, passions and potential that refine a sense of personal identity and lead to self-confidence; discover non-strengths, attitudes and priorities that impede growth and ministry.
  - Demonstrate patterns of study, devotion and service that evidence a disciplined lifestyle.
  - Demonstrate a commitment to an integrated life of piety and compassion for people with the necessities and demands of day-to-day living.
  
2. To provide the resources and environment in which students can become knowledgeable in Biblical studies, theology and the social sciences.
  - Demonstrate an understanding of the content of the Christian Scriptures, exhibit a sound methodology for their study and derive from them a conceptual framework for applying them to contemporary life and current phenomena in ministry.
  - Demonstrate an understanding of Biblical mission, the development of theology, the heritage of the C&MA, the evangelical tradition, and the values and practices of the life of faith.
  - Demonstrate an understanding of the development and interactions of people as part of human culture and society; appreciate the major concepts, principles, and methods of inquiry found in the social sciences.

### ***Mission, Values and Model***

- Engage diligently and honestly in research and independent study on a life-long basis.
3. To provide the resources and environment in which students can become proficient in relating to the church and its cultural manifestations and mission.
    - Utilize insights from the social sciences in theological reflection upon the church as spiritually created in Christ and empirically evident in human society.
    - Create theologies that are relevant to current situations as well as faithful to the Biblical text.
    - Dialogue meaningfully with people of other cultures about the nature and mission of the church.
    - Articulate a developed sense of call to ministry within the locus of the church.
  4. To provide the resources and environment in which students can become competent, cooperative, creative, and compassionate in the practice of ministry.
    - Communicate clearly and effectively in oral delivery whether in formal settings or in non-formal settings.
    - Demonstrate an ability to lead and work as a member of a team toward a particular end in ministry.
    - Demonstrate an ability to create appropriate and culturally authentic programs in the areas of worship and evangelism.
    - Demonstrate an ability to bring healing through counseling in a one-to-one or group setting.

In order to realize these goals, Alliance Theological Seminary takes students through a three-phased formational sequence in its professional programs.

*The Person Phase* brings together vehicles, courses and activities designed to help the student develop disciplined patterns of living and thinking. The focus in this phase is on the discovery of personal habits and lifestyle effective for ministry, and an authentic Biblical, theological and transcultural methodology from which to work. This phase targets specifically though not exclusively GOALS 1 and 2.

*The Church Phase* is designed to give students a clearer picture of the transcultural nature and mission of the church they will serve. Beginning with a better grasp of themselves and a paradigm from which to work, students are encouraged to refine their call to ministry within the locus of the church, and develop a hands-on ecclesiology by being

brought into closer contact with the local church and its ministries. This phase targets specifically though not exclusively GOAL 3.

*The Ministry Phase* looks toward applying the perspectives gained from the previous phases to the current issues and phenomena of ministry. Through ministry tracks, students may focus their studies in the direction of specific vocations. The phase also concentrates on skills necessary for effective ministry. This phase targets specifically though not exclusively GOAL 4.

### **SPIRITUAL FORMATION**

In light of God's desire and provision for His children to become like Christ and societal demands for His servants to be mature and equipped for ministry, ATS places great importance on spiritual formation within the curriculum.

Spiritual formation is spiritual in that it is awareness of God in the whole being; it is formation in that it is development or growth in who we are and what we do as maturing Christ followers. Our baptism in Christ is the foundation for living in a relationship of intimate responsiveness to God. The presence of the Holy Spirit operates in and around our lives to shape us into Christ-likeness and draw others to be devoted Christ followers. The process of spiritual formation at ATS is designed to address every aspect of human interaction.

At ATS, spiritual formation takes place in several environments: classroom, community, local church and other out-of-classroom settings. In the classroom, each professor is a Christian scholar who models Christ and love for His Church, and for some students, a professor becomes a mentor. Students learn from each other in peer groups and from guest scholars and practitioners. A curricular aspect of spiritual formation for students in the Master of Divinity, Master of Professional Studies and Master of Arts in Intercultural Studies degree programs is the required phases of Mentored Development. Spiritual formation takes place in community as students interact with ATS administrators, staff, and each other and together worship the Lord in *Encounter* (chapel). It takes place in a local church where students serve and some find mentors. And, it takes place outside the classroom where students find opportunities to experience their faith in nontraditional ways. Short-term mission trips, wilderness experiences, directed retreats, field trips, shadowing selected leaders, and field education create space within and challenges alongside the academic schedule where students can pursue the passion and possibility that God has placed in their lives. These experiences require an initial risk of faith but the overall impact lasts for a lifetime.

**STATEMENT OF FAITH**

Alliance Theological Seminary is committed to a thoroughly evangelical Christian view of humanity and the world.

We believe:

There is one God, who is infinitely perfect, existing eternally in three persons: Father, Son and Holy Spirit. Jesus Christ is true God and true man. He was conceived by the Holy Spirit and born of the Virgin Mary. He died upon the cross, the Just for the unjust, as a substitutionary sacrifice, and all who believe in Him are justified on the ground of His shed blood. He arose from the dead according to the Scriptures. He is now at the right hand of the Majesty on high as our great High Priest. He will come again to establish His kingdom of righteousness and peace. The Holy Spirit is a divine person, sent to indwell, guide, teach, empower the believer and convince the world of sin, righteousness, and of judgment.

The Old and New Testaments, inerrant as originally given, were verbally inspired by God and are a complete revelation of His will for the salvation of man. They constitute the divine and only rule of Christian faith and practice.

Man was originally created in the image and likeness of God; he fell through disobedience, incurring thereby physical and spiritual death. All men are born with a sinful nature, are separated from the life of God, and can be saved only through the atoning work of the Lord Jesus Christ. The portion of the impenitent and unbelieving is existence forever in conscious torment; and that of the believer, in everlasting joy and bliss. Salvation has been provided through Jesus Christ for all men; and those who repent and believe are born again of the Holy Spirit, receive the gift of eternal life, and become the children of God.

It is the will of God that each believer should be filled with the Holy Spirit and sanctified wholly, being separated from sin and the world and fully dedicated to the will of God, thereby receiving power for holy living and effective service. This is both a crisis and a progressive experience wrought in the life of the believer subsequent to conversion. Provision is made in the redemptive work of the Lord Jesus Christ for the healing of the mortal body. Prayer for the sick and anointing with oil are taught in the Scriptures and are privileges for the church in this present age.

The church consists of all those who believe on the Lord Jesus Christ, are redeemed through His blood, and are born again of the Holy Spirit. Christ is the Head of the Body, the church, which has been

commissioned by Him to go into all the world as a witness, preaching the gospel to all nations.

The local church is a body of believers in Christ who are joined together for the worship of God, for edification through the Word of God, for prayer, fellowship, the proclamation of the gospel, and observances of the ordinances of baptism and the Lord's Supper. There shall be a bodily resurrection of the just and the unjust; for the former, a resurrection unto life; for the latter, a resurrection unto judgment.

The second coming of the Lord Jesus Christ is imminent and will be personal, visible and premillennial. This is the believer's blessed hope and is a vital truth which is an incentive to holy living and faithful service.

### **ACCREDITATION AND AFFILIATION**

Alliance Theological Seminary is accredited by The Association of Theological Schools in the United States and Canada and, as a division of Nyack College, by the Middle States Association of Colleges and Schools. ATS operates as a graduate school of Nyack College under the charter of Nyack College granted by the Board of Regents of the State Education Department of the University of the State of New York. The Board of Regents for the State of New York empowers Nyack College to grant the Master of Divinity (M.Div.), the Master of Professional Studies (M.P.S.), and the Master of Arts (M.A.) degrees, as well as undergraduate programs leading to Associate and Bachelor degrees (see the Nyack College catalog for a description of its programs).

The U.S. Department of Justice lists the seminary for training of international students. Also, the State Education Department approves ATS for training of veterans under Public Laws 530 and 894. ATS is also a member of the Institute of Theological Studies, which provides independent study courses applicable towards degree study.

Membership in the American Theological Library Association (ATLA), the New York Area Theological Library Association (NYATLA), the Southeastern New York Regional Library Council (SENYLRC), and Westchester Academic Library Directors Organization (WALDO) provides cooperative access to interlibrary services and resources.

ATS is also a member of the national honor association of Who's Who Among Students in American Colleges and Universities. Each year the faculty nominates a number of students who exemplify outstanding scholarship, character, leadership and service.

## ***Statement of Faith & Accreditation***

### ***ANTI-DISCRIMINATORY STATEMENT***

Students, faculty and staff of varied backgrounds make up the seminary community. Alliance Theological Seminary does not discriminate on the basis of race, color, national and ethnic origin, age, sex, or handicap in admission, participation or employment in campus programs or activities. The programs are operated in compliance with Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, and all other relevant statutes and regulations.

## **Locations and Facilities**

### **ROCKLAND CAMPUS**

Alliance Theological Seminary is located in the small suburban community of Nyack overlooking the historic and picturesque Hudson River Valley. Just 25 miles north of NYC, ATS is the largest accredited evangelical seminary between Boston and Philadelphia. It reaches North America's largest urban population of over 22 million people, and is uniquely qualified to train students with an awareness of the worldwide trend toward urbanization and cultural plurality. This diversity prepares students to encounter the world as they will truly find it.

The ATS campus houses classrooms, library, faculty and administrative offices, chapel, the Solid Rock Café and casual social areas for students. The seminary's four main residence complexes are located 1.3 miles from ATS on the campus of Nyack College at 1 South Boulevard, in South Nyack, NY.

Members of the seminary community have access to all facilities on the Nyack College campus and are welcome to attend the school's athletic, worship and cultural events. Bowman gymnasium and an athletic field are in close proximity to the seminary's residence buildings.

It is several blocks north of City Hall. All subway lines which run through lower Manhattan have stops within walking distance of the seminary.

ATS-NYC seeks to: (1) equip ministry leadership in New York City with graduate level evangelical theological education and (2) furnish an urban, multicultural “laboratory” for the seminary’s non-urban student population to engage in contextualized theological discourse for ministry preparation.

The following programs are available in Manhattan: M.Div., M.P.S., and M.A. (Biblical Literature). Students are required to take one course at the Rockland campus, specifically: SF505 Personal, Professional, Theological Foundations for Ministry.

### ***SEMINARIO TEOLOGICO DE PUERTO RICO (PUERTO RICO EXTENSION)***

ATS-Puerto Rico began classes in 1985 and is a joint effort between ATS and the Puerto Rico District of The C&MA. The program is located in San Juan with classes taught in Spanish. Programs available in Puerto Rico include both the Master of Divinity and the Master of Professional Studies degrees. The programs are accredited by The Association of Theological Schools and the Middle States Association of Colleges and Schools.

Primarily, the courses are scheduled in an evening and weekend format to allow those in full-time careers or in church ministry to participate on a regular basis. Main campus faculty have taught at ATS/Puerto Rico in Spanish or through translation. Approximately 120 students from The C&MA and other denominations in Puerto Rico participate in classes. ATS/Puerto Rico has become an interdenominational seminary.

The seminary occupies the second and third floors of a self-owned four-story building at #458 Jose Canals Street, Roosevelt Urbanization, in Hato Rey, San Juan, Puerto Rico. The library, located on the second floor, has approximately 10,000 titles, a computer lab, study rooms, and there is a conference room that seats 80 people. Two modern classrooms, equipped with audio-visual resources, and the administrative offices are located on the third floor.

Interested applicants should contact the Puerto Rico Admissions Office.

### **POLICIES AND PROCEDURES**

#### **Academic Probation and Dismissal**

The academic progress of students is evaluated at the close of each semester. Students must meet a minimum cumulative grade point average of 2.5 as evidence of satisfactory progress toward graduation.

A student whose cumulative GPA falls below the required minimum will automatically be placed on academic probation the following semester & notified of such. A student on academic probation who fails to attain the minimum cumulative GPA may be dismissed from his/her program. (It should be noted that the standards of satisfactory academic progress for financial aid purposes may differ. Please refer to the "Financial Aid" section of the catalog.)

A student who has been dismissed may apply for reinstatement through the Academic Appeals Committee. The Committee's decision is final.

#### **Advisement and Consultation**

Students admitted into degree programs will be assigned a faculty advisor to assist them in planning their studies at ATS. Faculty-student partnering is designed to provide professional as well as academic guidance. Responsibility for reaching satisfactory completion of all academic requirements rests with the student. The student is responsible for conferring with the Registrar when course substitution is needed or transfer credit is requested. Non-degree students who intend to seek degree admission may request advisement from the Registrar or a faculty member.

#### **Class Attendance**

Class attendance is fundamental to good scholarship and is expected of all students. Professors may set a class attendance policy for each course and describe it in the course syllabus.

#### **Completing More Than One Degree**

The total time required to complete more than one degree will be determined by the demands of the two degrees combined. In cases where the Master of Arts is combined with the Master of Divinity, it will in no case be less than a total of four years of full-time study.

Due to the similar nature of the degrees, a student may not obtain both a Master of Divinity and a Master of Professional Studies degree

## **Academic Information**

from ATS. Similarly, a student may obtain only one Master of Arts (Biblical Literature) degree.

### **Course Credits**

Courses are generally offered for the number of credits listed in the course description section. Students may be permitted, however, to enroll in a class for one more or one less credit than is listed on the course schedule by procuring permission and the signature of the faculty member teaching the course. Arrangements must be made with the faculty member granting permission for any adjustments in course requirements. The form for changes to course credits is available in the Registrar's Office.

One credit is equivalent to 15 hours (50 minute periods) of classroom instruction. These hours may be scheduled over a 14-week semester or in intensive shorter sessions.

### **Degree Requirements**

Students are responsible for completing the degree requirements outlined in the catalog in effect at the time of matriculation. A student may elect to adopt the degree requirements of a subsequent catalog by submitting a "Change of Program" form to the Registrar's Office. If a student breaks matriculation, he/she may be required to assume the degree requirements in effect at the time of re-enrollment. Matriculation is broke by changing programs or not attending for a year or more (unless a "leave of absence" has been filed – see "Leave of Absence"). Any curricular changes mandated by New York State (e.g. for purposes of licensure) will supercede this policy.

### **Disabilities Support Services Policy Statement**

It is the policy and practice of Nyack College to comply with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act (ADA), and state and local laws regarding students with disabilities. Under these laws, no disabled, but otherwise qualified student shall be denied access to, or participation in services, programs and activities at Nyack College. For the complete policy statement, go to the Nyack College web site at: <http://www.nyackcollege.edu/?page=DSS>

Any student eligible for and requesting academic accommodations due to a disability, is required to provide a letter of accommodation from the Office of Disabilities Support Services within the first six weeks of the beginning of classes.

## **Academic Information**

All communications between students and the Office of Disabilities Support Services staff are confidential, as is any supporting documentation maintained on file.

At the Rockland campus contact: [Elona.Collins@nyack.edu](mailto:Elona.Collins@nyack.edu). At the NYC campus contact: [Adelaide.Pabon@nyack.edu](mailto:Adelaide.Pabon@nyack.edu).

### **Enrollment Status**

*Course Load:* Students may not carry more than seventeen credit hours in any semester (including the adjacent short term) without special permission granted by the Registrar and the Academic Dean.

*Full-Time Status:* This term is interpreted differently by different agencies for diverse reasons. The Association of Theological Schools calculates enrollment of member schools by the average load needed to graduate in the normal time. This would be 31 hours a year at ATS or 15 hours each semester including the adjoining short term. New York State recognizes 9 semester hours as full-time. The seminary considers a student taking 12 hours or more as being full-time, and, based on this, determines fees and eligibility for housing and benefits.

*Part-time Status:* Students taking 11 credits or less are ascribed part-time status.

*Auditors:* Auditors are students who attend class but are not taking the class for credit.

### **Extensions for Late Work**

Central to the educational purpose of Alliance Theological Seminary is its commitment to character formation and the development of personal integrity. In this pursuit, the seminary provides challenges and supports that reflect the demands of contemporary ministry.

While the seminary wishes to assist students who have legitimate reasons to seek extensions for late work, it recognizes that extensions are not likely to be granted by a congregation ready to hear a sermon, a small group waiting for the direction of its leader, or a board expecting a report. Regardless of unexpected demands that have distracted the minister's preparation, ministry must go on. It is with this perspective in mind that ATS has designed its policy on extensions for late work.

1. Extensions for late work are granted solely due to circumstances clearly beyond the student's control. In all cases, faculty retain the right to refuse to accept, or lower the grade on, such work submitted past the scheduled deadlines for the course.
2. An extension request must be filed with the Registrar's Office no later than the last day of the class (or by the final due date of course

## **Academic Information**

work in the case of fast-track/intensive courses). The length of the extension is determined by the professor, but may not exceed 30 days. A grade of “I” (Incomplete) will be recorded for the extension period. An incomplete will be converted to an “FX” (failure) after 30 days, after which time no further grade changes are permitted.

3. If an extension request is not filed with the Registrar’s Office by the deadline, instructors will submit a grade based on work submitted which will remain final.

### **Family Educational Rights and Privacy Act (FERPA)**

In accordance with federal law, students are hereby notified of the Family Educational Rights & Privacy Act of 1974, as amended. This Act was designed to protect the privacy of education records, to establish the right of students to inspect and review such records, and to provide guidelines for the correction of inaccurate information within the records.

Nyack’s full policy is available in various student handbooks and from the Registrar’s Office.

### **Grading System**

Students may view their grades online through password-secured access.

#### **A**

The student displays a comprehensive knowledge of course content and methodology, skill in communicating that knowledge, as well as originality and independence in application. The student provides a striking individual style that is clear and lively without detracting from the academic nature of the work.

#### **B**

The work contains poor sentence structure, punctuation, grammar, and style.

#### ***F***

Indicates failure. The student displays inadequate or fragmentary knowledge of course content and methodology. The work contains plagiarized materials.

#### ***PD***

Pass with Distinction indicates excellence in summative experience. This grade is not included in grade point averaging.

#### ***AU***

#### ***AWD***

Administrative Withdrawal.

## **Academic Information**

### **WD**

Withdrawal. Grade given when students officially withdraw from a course before the deadline for official withdrawal indicated on the academic calendar. "WD" will be recorded on the permanent record card for official withdrawals after the one-week add/drop period.

### **Grade Point System**

Graduation is based not only upon the accumulation of appropriate credits, but also upon the quality of work performed. A minimum grade point average is established for each program. Grade points are granted per semester hour on the following basis:

A (93-100)	4.0 grade points	C (73-77)	2.0 grade points
A- (90-92)	3.7 grade points	C- (70-72)	1.7 grade points
B+ (88-89)	3.3 grade points	D+ (68-69)	1.3 grade points
B (83-87)	3.0 grade points	D (63-67)	1.0 grade points
B- (80-82)	2.7 grade points	D- (60-62)	0.7 grade points
C+ (78-79)	2.3 grade points	F (0-59)	0.0 grade points

\*Note: Professors may use an alternate percentage scale in the assignment of letter grades if published in the course syllabus.

### **Graduation Dates**

A student's graduation date coincides with his/her degree completion date (normally the last day of the student's final semester). The seminary recognizes two graduation dates, December and May, for students who complete degree requirements at different times of the year. Graduation ceremonies, however, are held annually in the month of May.

### **Graduation Requirements**

Only students who have completed all the degree requirements and have been approved by the faculty will be permitted to participate. Students who have outstanding financial obligations will not be allowed to participate in the graduation ceremonies, and will not receive a diploma until all academic and financial requirements are fully met.

A graduation application must be submitted to the Registrar's Office in the semester prior to the student's final semester. The application is the only means by which the school is notified of a student's intention to graduate. A graduation audit of coursework will be issued to the student upon submission of the application.

Field Education must be satisfactorily completed with the mentor's evaluation sent to the Director of Field Education two weeks before the

## **Academic Information**

scheduled graduation date. The final summative experience for the M.A. program must be completed and the grade submitted to the Registrar by May 1 in order for the student to participate in the graduation ceremony.

It is expected that each graduate will participate in all the activities scheduled. Graduates living long distances from the seminary may graduate in absentia.

**Grievance Procedures**

Nyack College / Alliance Theological Seminary utilizes a grievance procedure that complies with the Higher Education Act of 1965, Section 494C(j). This procedure applies to all cases dealing with discrimination by race, handicap, or gender, including harassment, or to any other grievance. In no case will any adverse action be taken against a student for filing a grievance. The final determination of each formal grievance will be made by a person or persons not directly involved in the matter. Because different grievance procedures apply to faculty, staff, and students, consultation of the appropriate handbooks is advised.

Students who have a grievance relative to academic policies, grades given or other academic judgments should first seek to resolve their complaints with the professor. If resolution is not reached, the matter may be directed to the department head or program director of the class in question. If this does not solve the problem, a formal complaint may be made in writing to the Academic Dean whose judgment is final.

In the case of a grade dispute, adjustments must be made within 45 days of the close of the semester.

**Immunizations**

In accordance with New York State Public Health Law 2165, Nyack College requires degree-seeking (or certificate-seeking) students born on or after January 1, 1957 to submit proof of immunity to measles, mumps and rubella.

In accordance with New York State Public Health Law 2167, Nyack College requires all students (regardless of age or matriculation status) be provided with information about meningococcal disease & vaccination. Students are required to submit either a certificate of immunization, or a signed acknowledgement of risks & refusal of immunization.

Students enrolled for less than 6 credits per semester, or who are enrolled exclusively in online or distance education courses, are exempt from the above regulations. Students attending off-campus programs in group settings with other students are not exempt.

**Leave of Absence**

Students enrolled in a degree program who need to suspend their studies for medical, military, educational (to fulfill outstanding requirements) or related reasons may file for a formal “leave of absence” with the Registrar’s Office within the first semester of absence. Supporting documentation is required. A “leave of absence” may not extend beyond 3 years, at which time complete re-application must be made to the program through the Office of Admissions.

A “leave of absence” is not considered a break in matriculation when determining the catalog year that a student is following (see “Degree

## **Academic Information**

Requirements”). However, program modifications may be necessary to fulfill the original degree requirements in the event of curricular changes.

### **Plagiarism**

Students are expected to display the highest standards of personal and academic integrity in the development of research papers and other academic projects. Perhaps the most critical issue in exhibiting integrity in academic assignments is student compliance with accepted practices for providing his/her professor with resources and references used to develop his/her paper or project.

Plagiarism is defined as an act of “Literary Theft,” when the work of another is misrepresented as the original work of the student. This may be done intentionally or unintentionally. *When excerpts, thoughts, writings, or statements of others are used in papers, essays, or other projects, they must be acknowledged through footnotes, bibliography and other accepted practices and standards.*

Expanded definitions of plagiarism, and its consequences, are available in program handbooks and/or course syllabi.

### **Registration**

The *Registration Period* is an opportunity for students to choose courses for the following term of attendance. This information is the basis for ordering textbooks, assigning sections, classrooms and faculty. Registration for the spring semester begins in October and ends on the last day of the fall semester. Registration for the fall semester begins in March and ends on the last day of the spring semester. Registration is completed by paying a minimum of 1/3 of tuition costs and fees for the semester and signing a statement of account.

*Late Registration:* Students are expected to register for courses during the Registration Period. Students are permitted, however, to complete a late registration through the end of the add/drop period.

The *Add/Drop Period* occurs during the first week of classes and allows students to make changes in their registration by dropping or adding classes. There is no charge for changes made during this period.

*Changes in Registration:* Students desiring to change their registration must submit a Change of Registration form available in the Registrar’s Office. After the Add/Drop Period, the only allowable change is withdrawal. Changes permitted once the Add/Drop Period ends will bear financial repercussions.

To withdraw from a course, a student must complete the Change of Registration form, or an alternative written notification. This change is only permitted through the 75% point of the semester (as indicated on the academic calendar), or the equivalent in the case of a short-term course. Withdrawal from a course does not relieve the student of the tuition

charges for the course, unless the change is completed before the Add/Drop Period ends.

**Repeat Courses**

When a course is repeated, only the second grade (regardless of what it is) will be calculated into the student's GPA. However, both grades will remain on the permanent record. In the case of a student repeating a course in which a passing grade acceptable within his/her program has already been received, the course will not be included as part of his/her course load for financial aid purposes.

**Residency Requirement**

All students who are enrolled in a Nyack College program within the state of New York are required by the New York State Education Department to complete a minimum of one complete course at the Rockland campus. In fulfillment of this requirement, Manhattan satellite campus students will take SF505 (Personal, Professional & Theological Foundations for Ministry) at the Rockland campus.

**Scheduling of Classes**

The annual course schedule includes semester-long classes and short-term classes (fast track and intensive formats). Semester length courses are offered in both the fall and spring, and are scheduled in blocks of time so that a particular course usually meets only once each week. Fast track classes reduce the number of overall sessions by extending the normal length of a given session. Intensive classes are primarily offered in the Winterim and May term at the start of the spring and summer semesters respectively. These courses are designed for intensive study during one or two week periods during which all required seat time hours are completed. In some cases, short-term course assignments are completed after the class sessions are finished and are submitted by a specified date as prescribed by the professor.

**Scholastic Honors**

Graduate students of outstanding scholarship are selected for graduation honors as follows: Honors: Cumulative GPA at least 3.85, and Honors With Distinction: Cumulative GPA at least 3.95.

**Student Classification**

Students who are enrolled in the M.Div. program and have more than 59 credit hours hold a senior status. Not all seniors are graduating seniors. Students in the M.Div. program who have more than 25 credit hours are classified as middlers. Students in the M.Div. program with

## **Academic Information**

less than 25 credit hours are classified as juniors. All students in the M.P.S. program will hold a first year status until 25 credit hours have been completed.

ATS allows non-degree students to enroll for classes. These students may subsequently apply for degree status through the Office of Admissions. Standard tuition costs apply and appropriate credit is given (see the Non-degree study section).

### **Transcripts**

Official transcripts are issued only upon written authorization of the student (signature required). Transcripts will not be issued if the student's account is in arrears. A minimum of one business week should be allowed for processing. The following fees apply:

\$5.00 - 1st transcript

\$1.00 - Each additional copy ordered at the same time

\$10.00 - Rush fee (processed within 2 business days)

### **Transfer of Credits**

ATS accepts the transfer of credits from recognized and accredited seminaries and graduate schools. Such credit must be validated by an official transcript. Each transcript is evaluated in its correspondence to the required courses and standards of ATS. Transfer credit is not given for courses below a "C" grade. All ATS degree candidates must take their last thirty hours at ATS. Requests for transfer of credits must be made at the Registrar's Office.

### **Transfer of Degree Program**

To transfer from one degree program to another, a student must have formal approval from his/her advisor and the Registrar. Prerequisites and requirements for the desired degree must be met. To transfer from non-degree student status to a degree program, the student must have formal approval from the Director of Admissions. Change of Program forms are available in the Office of the Registrar.

### **Veteran's Requirements**

Students receiving Veterans Administration Educational Assistance Allowance are required to meet certain minimum standards in attendance and academic progress towards graduation. The student is responsible to report immediately to the Registrar's Office any change of status in enrollment or withdrawal. Further information and assistance may be obtained by contacting the school's V.A. Certifying Official.

**Withdrawal**

A student may withdraw from a course or courses until 75% of seat time has been completed (for semester length courses this deadline is determined in the academic calendar) or the equivalent in the case of a short-term course. A grade of “WD” will be entered into the student’s permanent record.

Students withdrawing from the institution should complete and submit an Intention to Withdraw form in a timely fashion.

Withdrawal from all or part of a student’s registration does not relieve the student of the tuition charges for the course(s).

**RESOURCES**

**Library**

**Student Learning Goals**

- Students will be able to successfully access print and online library materials to support their respective programs, courses and assignments.
- Students will be able to retrieve materials having a variety of perspectives, including a foundational Christian world-view and a broad perspective of cultures, peoples, and environments of the world.
- Students will be able to access appropriate research assistance, both in person and online, to successfully accomplish course assignments.
- Students will understand the various aspects of information literacy, including the importance of evaluation of information, critical thinking, and ethical and legal use of information.

The ATS Library in Rockland and the Henry Wilson Library ([www.nyack.edu/library](http://www.nyack.edu/library)) in Manhattan support the primary academic research needs of ATS students and faculty. Resources of Nyack’s Bailey Library in Rockland are also fully available to seminary students. Combined, these collections contain approximately 190,000 books, 500 current print journal subscriptions, and resources in other media formats. Nearly 100 electronic databases direct student to research databases, carefully selected to support each academic degree program at Nyack, online full-text journals, and additional e-books. From home or in the library, students search the combined online catalog of all three libraries

### ***Academic Information***

and research across a broad assortment of multidisciplinary and subject-specific electronic databases such as the American Theological Library Association's ATLA Religion Database. An intercampus delivery service allows students at one Nyack location to electronically request library material from another and have it delivered to their primary location. While students may individually avail themselves of their local public libraries and nearby academic libraries, the interlibrary loan service (in which the library requests material from other libraries on behalf of an individual student) further broadens access to the wealth of national and international resources.

The library staff is comprised of approachable professional librarians and library support staff (often ATS students themselves), firmly committed to excellence in the quality of the library and the level of service provided for the ATS community. Online services and guides, contact information, and information describing library policies are provided through the website. Individualized reference assistance and group instruction (the latter often in cooperation with faculty) address immediate information needs but also emphasize skills of the lifelong learner and focus on developing new skills and increased confidence in each student's ability to tap into a diverse array of information sources.

### ***The Graduate Writing & Research Center (Rockland)***

The Graduate Writing and Research Center is accessed through the ATS library. Designed to assist students with the necessary tools for writing and research, the center is staffed with a Writing and Research Assistant.

## **Academic Programs**

### **MASTER OF DIVINITY**

The M.Div. program is a 93-credit curriculum that blends biblical studies, social science theory, spiritual formation and practical training with an emphasis upon critical and reflective thinking. It is recognized as the most comprehensive and basic level graduate preparation for ministerial leadership and for future study in the theological disciplines. Alongside the prescribed core curriculum and mentored development courses, students select a specific track and professional development courses, in line with their ministry and educational goals.

The M.Div. curriculum develops progressively over three years through the Person Phase, the Church Phase, and the Ministry Phase presented in “Our Model”. ATS offers a pre-substitution system for those who majored in Bible and Theology in their undergraduate program (see Course Sequence on page 39).

### **Purpose**

The Master of Divinity degree is designed to produce whole people for **general** leadership in Christian service, whether in their own or in another culture, by bringing into dialogue the various dimensions of theological education. These dimensions are (1) church and academy, (2) theology and social science inquiry, (3) the biblical world and the contemporary world, (4) classroom and experience, (5) character and competence, and (6) wisdom and skill.

### **Student Learning Goals**

1. Students will lay a foundation for ongoing spiritual formation including personal development, moral integrity, and spiritual maturity.
2. Students will gain knowledge and be able to apply methodology in biblical studies, theology and cultural understandings.
3. Students will gain an appreciation of the relational nature of ministry through the experience of being mentored and mentoring others, and through learning and practicing interpersonal ministry skills. Students will be able to understand and practice integration of the personal, theological, and practical components of holistic ministry. Students will gain ministry skills for a broad range of Christian service responsibilities, and will be able to demonstrate competency in classroom and internship environments (in particular, those skills necessary for licensed and/or ordained ministry within the C&MA and other denominations).

The program offers several professional development tracks: African-American Ministries, Church Development, Counseling, Chinese Ministries, Hispanic Ministries, Korean Ministries, and Urban Ministries. There are specified requirements for Counseling and Mission (PR only) tracks at the Puerto Rico campus, with designated course-work for each. Overall, the assessment program remains the same for all campuses. The professional development tracks are not intended to furnish the student with technical expertise for purposes of professional employment, certification, or licensure, but rather to provide training for enhancing one's ministry focus in the local church setting.

## ***Certificate Program/Non-Degree Study***

### **CERTIFICATE PROGRAM**

Alliance Theological Seminary is aware of the unique challenges that contemporary leadership and laypeople face. The Certificate Program is designed as a means of providing seminary level training for those active in the local church who wish to broaden their knowledge of Scripture or develop cutting edge ministry skills. This not-for-credit program allows students to pursue interests in theological studies without requiring a bachelor's degree or special background other than the qualification that applicants be "active in the local church." The certificate requirements include:

1. Successful completion of 6 courses (18 credits) within a specific discipline.
2. Attendance at all class sessions and fulfillment of a single certificate assignment listed in the syllabus of each course.

*Students wishing to earn transferable graduate credit must contact the Registrar and an Admissions Counselor prior to enrollment.*

### **NON-DEGREE STUDY**

ATS welcomes students who wish to enroll in classes for personal enrichment to apply as non-degree students. Non-degree students are eligible to receive graduate credit for their work, which may later be applied to degree programs.

#### **General Prerequisites**

1. A baccalaureate degree from an accredited college or university.
2. Minimum grade point average of 2.5. Non-degree students are welcome to apply for degree studies by completing the normal admissions process.

### **AUDIT**

Students are able to enroll in classes on an audit basis. Such classes are not applicable toward degree requirements. Auditors may complete course assignments, but their work will receive no evaluation. Alumni, as well as missionaries and clergy actively involved in full-time ministry may apply to the Office of Admissions to audit a course and receive a grant for the tuition (an audit fee must be paid).

## **Mentored Development**

### **MENTORED DEVELOPMENT**

A curricular aspect of spiritual formation is the required Mentored Development in the Master of Divinity, Master of Professional Studies, and Master of Arts in Intercultural Studies degree programs. Mentored Development is offered in three phases in the Master of Divinity program. Year One: Initiation in Spiritual Formation (SF 503); Year Two: Field Education (SF 603); and Year Three: Spiritual Formation Capstone (SF 703). Students in the MA and MPS take only two of the phases. Depending upon which degree program a student is enrolled in, required Mentored Development courses total 6 or 9 credits.

Throughout the process, students grow in intimacy and authenticity in the context of community and reach out to help others in their spiritual journey. Students are mentored and become mentors to others. The relationships they make form a network of personal and professional support that may extend into the future.

The goals of these three phases (in the MDiv degree program) of Mentored Development and ways to achieve them include the following:

1. ***Students become increasingly aware of their personal spiritual reality.*** Significant progress toward this goal is begun in the fall semester via Initiation in Spiritual Formation (SF 503). Through reflecting on biblical truths, personal and spiritual assessment results, relationships and life experiences, students explain areas where growth has taken place and identify areas of need, including areas where healing is needed. In light of their context, they write their spiritual story and share it with peer mentors and the mentor of their small group. The centerpiece for each student is to design and implement a spiritual growth plan that reflects his/her own needs and longings for God, and demands faith-filled risks. Self-awareness increases as they experience community in their small groups, and reach out to help others. Each student begins a portfolio to keep important objects and written documents related to their spiritual formation.
2. ***Students nurture a continuing desire to grow beyond their current spiritual reality.*** This second goal is the focus of the first phase. Students continue to know God's presence through experiencing community in their small groups and pursuing God in the spiritual disciplines.

## **Mentored Development**

3. ***Students understand and expand their worldview and deepen their commitment to God and to ekklesia.*** After completing Initiation in Spiritual Formation (SF 503), students may enter the second phase of Mentored Development: Field Education (SF 603). Through faithful church participation and their mentored field education assignment, they encounter people of different traditions and cultures, take faith-filled risks, expand their worldview and integrate theology, theory and ministry practice. Written reflections are added to their portfolios. Students learn tools for problem-solving and ministry insight. As well, they continue implementing their spiritual growth plans.

For further information about field education, see the Field Education section in this catalog.

4. ***Students are used by God in intentional disciple-making of others, being mentors.*** Spiritual Formation Capstone (SF 703) should be taken in the student's final semester (in MDiv and MA in Intercultural Studies programs). In this class, students continue gaining skills and attitudes needed as they disciple other people through mentoring. In the community of an in-class small group, students give and receive feedback as they synthesize their personal and spiritual formation, biblical and theological understandings, and ministry experiences. Students clarify their calling as they seek God, and they modify their spiritual growth plan so they can implement it in the years following graduation from ATS.

Spiritual formation is multi-faceted as the Holy Spirit works to bring each Christ follower into conformity to God's image. He uses the Word of God, relationships, as well as everyday and crisis life experiences in a variety of contexts. ATS provides many individual and community opportunities for God to bring glory to Himself!

### **FIELD EDUCATION**

The Field Education Program at ATS seeks to foster mentor/mentee relationship for our students. Learning through experience in the context of relationship is our main goal. It is designed to be the bridge between the "Church" and "Ministry" phases of the ATS Ministry Formation Model. Because of the individual nature of Field Education, progression through the program is on an individualized basis as per the learning contract option.

## ***Mentored Development***

Field education assignment usually begins in the spring semester, although some students may engage a field education mentor, complete the required field education contract and begin their assignment late in the fall semester.

Students are mentored by an on-site ministry leader. Students have the option to choose a field education assignment for 3 credits (360 hours of Field Education), 4 credits (480 hours of field education), 5 credits (600 hours of field education) or 6 credits (720 hours of field education). Field education must be at least 12 weeks in duration. The maximum number of hours of field education allowable per week is 40 hours. Exceptions may be granted for students doing their field education in an international context. Students who have limited ministry experience are encouraged to serve a 12-month full-time field education assignment because it offers a more complete developmental opportunity.

Usually, a field education assignment is church-based and exposes students to a wide variety of ministerial responsibilities and specific ministries. A student may choose to complete an alternative field education assignment, described below.

The purpose of Field Education is to deliberately integrate theory and ministry practice. This is reached through three avenues: (1) the field education mentor-student relationship with bi-weekly face-to-face dialogue sessions; (2) reflective written reports by students and mentors; (3) a small group of student peer mentors.

The seminary prepares mentors for Field Education to equip them to develop students to reach the purpose stated above. Mentors attend some of the SF 603 classes with students and mentors participate in the seminary's mentoring seminar. Together each mentor and student writes a learning contract that shapes expectations and details the Field Education assignment. All students and field education mentors write midway and final evaluations.

At the conclusion of Field Education, students place significant documents or objects into their Spiritual Formation portfolio begun in year one, receive a grade for their field education assignment, participate in an exit interview to process the learning experiences, and celebrate what God has done.

### **1. Traditional Field Education**

The Traditional Field Education provides a field experience in a ministry setting in the student's local church or new ministry with heavy emphasis on the mentoring relationship. Students connect with field ed. staff at ATS, who work with them to secure field education that will

## ***Mentored Development***

assist students in integrating the cognitive and experiential components of ministry, further preparing students for ministry.

### **2. Higher Education (Rockland Campus)**

The Higher Education Field Education path is designed specifically for students planning a career in teaching on the college or graduate level. It is taken in tandem with SF 620 – Teaching the Bible for Transformation.

The mentoring takes place in a small group. Topics include: designing an entire course, developing a syllabus, Ph.D. programs, developing your vitae, grading, cognitive development of young adults and adults, adult learning models, etc. The group will visit classes at Nyack College and may provide opportunities to shadow a professor.

### **3. Alternative Field Education**

The Alternative Field Education is designed for students who have more than ten years of full-time ministry, such as ordained pastors or students with a significant amount of ministry experience. Alternative Field Ed offers the experienced student an opportunity to take a thorough look at the journey thus far, and with the guidance of a more experienced mentor or mentors, prayerfully seek God's guidance for their future. Eligibility for the Alternative Field Education Program is not solely based on the number of years in ministry, but also the type of ministry involvement, and future ministry goals. Each request is handled individually.

### **4. Overseas/Missions**

Overseas/Missions Field Ed is offered to students who desire to obtain overseas experience. Students will be exposed to several challenges in working with people of a different language and culture. Please see <http://www.global-ventures.org> for further details.

### **5. Clinical Pastoral Education**

Clinical Pastoral Education (CPE) offered through The Association for Pastoral Education (ACPE) is designed to equip spiritual caregivers with tools they need for work as chaplains in various fields (hospitals, hospice, prisons, etc.). MPS and MDiv. students who have completed one or more units of CPE may elect to have their CPE hours count toward the required Field Experience hours. They will still need to complete SF 603. For more information on CPE and to find locations that offer CPE see [www.acpe.edu](http://www.acpe.edu).

## ***Mentored Development***

### **6. Military Chaplaincy**

Students anticipating ministry in the Armed Forces are advised on matters pertaining to service as a chaplain. MPS and MDiv. students who have served as military chaplains may elect to have their chaplaincy hours count toward the required Field Experience hours. They will still need to complete SF 603.

## ***Special Programs***

### ***CULTURAL PROGRAMS***

#### ***Alliance Graduate School of Mission***

The Alliance Graduate School of Mission (AGSM) is an innovative approach to preparing students for a lifetime of participation in intercultural and urban ministries, here and around the world. It capitalizes on ATS's unique geographical proximity to New York City. Students are launched into this formative program through a foundational core of innovative learning experiences. They pursue a specialized track in Missions within the Master of Divinity program, or the M.A. in Intercultural Studies program. As graduates prepare for ministry in the increasingly complex world of the 21st century, AGSM offers solid academic degrees which also provide crucial missiological skills and experiences.

#### ***North American Chinese Bi-Cultural and Pastoral Ministries Program***

The North American Chinese Bi-Cultural and Pastoral Ministries Program was established at ATS in 1987. Its first director (now Director Emeritus) was Dr. Philip Teng. Chinese churches worldwide are standing at a threshold of opportunity at the beginning of this new millennium. Churches ministering in Chinese languages continue to multiply in North America. Second generation Chinese ministries continue to expand. An increasing number of North American Chinese churches send out missionaries to different countries around the world. The need remains clear for a program designed for training mono- and bi-cultural students to evangelize and provide leadership for the Chinese churches.

The North American Chinese Bi-Cultural and Pastoral Ministries Program shares the responsibility to meet this great need by providing masters-level-trained pastors, missionaries and lay leaders for serving the Chinese churches in North America and overseas. The program consists of formal classroom instruction that will build into the student a spiritual and godly character, cultural sensitivity and understanding, and a theological foundation. The student will also experience classes in practical ministry, a one-to-one mentoring relationship, as well as many hands-on-ministry opportunities by serving a church through a Field Education experience.

Students will pursue a specialization in either Chinese Pastoral Ministries or Chinese Mission within the Master of Divinity program

It continues as a fellowship of Korean students preparing for ministry in Korean churches in North America. The ATS Korean Student Fellowship exists to assist students in adjusting to life at ATS. Weekly prayer fellowships and other activities provide additional opportunities for community interaction.

## ***Independent Study Program (ISP)***

### ***INDEPENDENT STUDY PROGRAM (ISP)***

Alliance Theological Seminary is a member of Outreach, Incorporated, a consortium of more than 20 seminaries. Seminary-level courses are prepared by member seminaries and offered through the consortium's Institute of Theological Studies (ITS). Several of these courses form the core of ATS' Independent Study Program. ISP courses have been approved by the faculty at ATS though the lecturers listed at the beginning of each course are not resident faculty.

The Independent Study Program (ISP) of ATS is comprised of self-paced courses which may be taken for credit or personal enrichment. These audio-print courses include taped lectures, syllabi, study guides, and assignments (including examinations and course papers). Upon successful completion of an ISP course, graduate-level credit is granted, which is applicable toward ATS degree programs.

#### ***Policies for Degree Study***

The following policies apply when taking Independent Study Program courses for credit toward a degree program:

1. No more than 20% of a degree program may be fulfilled through courses taken independently (combination of ISP courses & directed studies).
2. Independent Study Program courses are intended primarily to complement the study programs of nontraditional students who are not able to enroll under normal circumstances in classes offered at the main campus or external locations.

#### ***Financial Information***

1. Tuition: Regular
2. Audit fee: Auditors may order materials for one-half of the regular tuition fee.
3. Course materials: Included in the tuition fee. If a student drops or withdraws from an ISP course during the full-refund period, the cost of the materials will be added to his/her student account.

ATS reserves the right to adjust tuition, fees and academic offerings without notice.

#### ***Registration Options for Degree Study***

1. **Semester plan.** ISP courses may be included in a student's registration for a given semester. Upon submission of an ISP Course Enrollment Form to the Registrar's Office, the course will be added

### ***Independent Study Program (ISP)***

as part of the student's semester schedule. The course is then subject to all academic & financial policies and timetables that normally govern any other semester course. Registration for ISP courses in this manner allows for their inclusion in the calculation of a student's enrollment status (FT/PT). Grades are noted on the academic record & included in the computation of the student's GPA.

2. **6-month plan.** Registration & commencement of a course can occur at any point within the academic year and is initiated by the submission of the ISP Course Enrollment Form to the Registrar's Office. Course completion is scheduled six months from the day on which the course materials are ordered. Academic & financial policies and timetables are noted below. Courses registered for in this manner are not credited to a student's academic record until after they are completed and graded. Consequently, such courses are not included in the calculation of enrollment status (FT/PT). Additionally, grades are not noted on the academic record nor computed in the GPA.
  - a. Course Extensions. A one-time extension of up to six months may be requested in the case of extenuating circumstances (\$15 fee). This request must be made at least 30 days before the original course due date.
  - b. Incomplete Course Work. If a student does not complete the course by the original due date (six months from the date materials are mailed), and if he or she does not apply for an extension at least 30 days before the course due date, the student will be dropped from the course at the due date. A student failing to complete a course may re-enroll by paying the tuition fee in effect at the time of re-enrolling and by following the requirements of the syllabus and study guide in effect at the time of re-enrolling. Upon re-enrollment the student may take six months to complete the course.
  - c. Inactive and Re-enrollment Status. In the event a student encounters extenuating circumstances, which prevent timely completion of the course, s/he may apply for inactive status by appealing in writing to the Academic Dean. A \$15 processing fee is charged and should be enclosed with the written appeal. The deadline for this appeal is no later than three months after beginning the course. The student may remain in an inactive status for a maximum of 12 months. At the end of the inactive period, s/he may re-enroll in the course upon payment of any difference in tuition between the first and second enrollment times. ## **Admissions**

### **ADMISSION POLICIES**

Alliance Theological Seminary, within the purpose and confines of its mission, statement of faith, tenets, and principles, is dedicated to the concept of equal opportunity. Subject to the foregoing, Alliance Theological Seminary will not discriminate as to any qualified person on the basis of gender, age, race, disability, national or ethnic origin in its admission, treatment of students, or employment practices.

#### **Personal Life-Style Requirements for Admission**

Members of the seminary community, as indeed all disciples of Jesus Christ, are suited for Christian service by moral character, giftedness for ministry and knowledge of the faith. Their lives are characterized by compassion for individual persons, sensitivity to the needs of the communities of which they are a part, a burden that the whole of God's will be obeyed on earth, personal integrity, and a desire for moral and spiritual growth.

Alliance Theological Seminary is guided by an understanding of scripture as the Word of God and by commitment to its authority regarding matters of Christian faith and living. The seminary also affirms and honors the consensual, moral traditions of the church whose students we seek to prepare for the ministries of Christ and to whom we are accountable for the quality of students' formation.

The seminary is committed to embody in its life and uphold in its teaching the imperatives of scripture as affirmed by the broad stream of Christian belief and thought over the millennia. Beliefs and values, lifestyles and habits, attitudes and practices which are excluded by the Gospel, either by its direct and clear teaching or by its overarching and pervasive understanding of the nature of the relationship of human beings with one another and with God, cannot be affirmed or accepted within the seminary community. Among these are all forms of dishonesty (e.g. cheating and plagiarism); the possession and use of tobacco, alcohol and illegal drugs; emotional, physical and substance abuse; flagrant acts of insubordination; the use of foul language, criticism and slander; racial, ethnic and sexual intimidation or harassment; practices that are unjust and discriminatory; and the misuse and abuse of sex (*see the Student Handbook for more details*). Infractions are grounds for dismissal through procedures defined in the *Student Handbook*.

**INTERNATIONAL STUDENTS**

Alliance Theological Seminary rejoices in the diversity of its international student body and seeks to enhance the quality of community through interaction and appreciation of culture. The international character of the ATS community extends not only to non-immigrant F-1 students but also to permanent residents whose primary language is other than English and to furloughing missionaries. Countries recently represented have included: Canada, China, England, India, Jamaica, Netherlands, Nigeria, Pakistan, Panama, Peru, Saudi Arabia, South Korea, Taiwan, Togo, Trinidad, Ukraine, and Zimbabwe.

ATS is authorized under federal law to enroll non-immigrant alien students and welcomes qualified students from other countries who are pursuing further training and preparation for gospel ministry in their own countries. International students should write to the Office of Admissions requesting special information on the policies and procedures for admission of international students.

In addition to the successful completion of all general admissions procedures, attention is given to a candidate's potential for Christian leadership and service, English competency, past academic performance and financial resources when considering applications from international students.

The Test of English as a Foreign Language (TOEFL) is required of all international applicants for whom English is not their primary language. The test is available from the U.S. Embassy in each country or from the Educational Testing Service, Princeton, NJ 08450 USA. Results should be sent to school code 2560. A score of at least 550 (paper-based)/213 (computer-based)/79 (internet-based) is required for consideration of admission.

The U.S. Immigration and Naturalization Service requires that full proof of financial support (including education costs, living and travel expenses) be submitted to the Office of Admissions before the I-20 AB form for entrance to the United States can be filed. Students need the Form I-20 to obtain an F-1 student visa or to keep lawful F-1 status when transferring or changing schools in the U.S. Appropriate visa application forms will be sent to the student upon receipt of an acceptable affidavit of support. Questions regarding visas should be addressed to the Designated School Official in the Admissions Office.

International applicants must submit their applications by June 1 if intending to matriculate in the fall semester or by November 1 for spring semester. The application file should be completed (including TOEFL

## **Admissions**

scores, transcripts, financial documentation, etc.) at least 60 days before the arrival date in order to allow time for the student to receive certification from the Alliance Theological Seminary of eligibility to study (Form I-20) and apply for the F-1 visa.

Transferring students already present in the United States do not need to receive our I-20 before beginning classes at ATS. Full proof of financial support, however, is necessary in order to receive a new I-20 AB and maintain lawful status.

Employment is strictly regulated by the U.S. government (see Employment section on page 107). International students are permitted to work on campus as jobs are available, but not for more than 20 hours per week during the regular semester. Campus employment wages should be considered as supplemental income only.

International students are required to maintain valid immigration status throughout their stay at ATS in order to remain in good standing with the seminary. Students should direct all questions related to maintenance of good status to the Designated School Official in the Admissions Office.

## **Student Life and Services**

### **STUDENT LIFE**

#### **The ATS Community**

At Alliance Theological Seminary, people are more important than programs. The precedent for such a belief is divinely established by the God who created people in His own image and holds this creation to be of inestimable value. It is also seen in the Incarnation of Jesus Christ who was not only fully God but fully human as well. Christ came to people. He is still coming to them today and encouraging them to become His people.

The ATS community is one small segment of God's pilgrim people. We are committed to serving others and inviting them to become part of His Kingdom. This commitment reaches outward to those needing to be reconciled to Christ and inward to those needing to be ministered to within the body of Christ. It is carried out by proclaiming the gospel of reconciliation, both as individuals and as a community.

#### **Seminary Life: The Spiritual Dimension**

Formal and informal activities within the ATS community help develop the student's spiritual life.

*Encounter* with God and His People! (Chapel): Because spiritual formation takes place in corporate and individual contexts, faculty and students, administrators and staff gather together regularly for worship and community. *Encounter* is designed to facilitate an encounter with God and His people. These often informal times provide dynamic interaction with peer mentors, as well as mentors from ATS, local churches, para-church ministries and missions. We gather at various times throughout the semester, in different locations on campus for times marked by joy, as we connect with God and each other. Whether students are part-time or full-time, or attend day or evening classes, all can participate in *Encounter*.

Prayer: An atmosphere of openness encourages students to share prayer requests in confidence and with the whole body. Prayer chapels, a special prayer room, and student led prayer groups help to sustain the spiritual climate of the seminary.

## ***Student Life and Services***

### **Student Body**

Students choose ATS for various reasons. Some intend to pursue traditional ministry careers, while others are seeking to gain personal enrichment and more effective ministry skills.

Some reside on the main campus, while many choose to commute, taking advantage of the convenient class schedule. Whatever the case, ATS is a community of men and women committed to furthering their ability to minister the word of God effectively. They are a diverse group of individuals who come from a variety of backgrounds. Such diversity provides a rich learning environment. The opportunity to study with colleagues who possess different worldviews and ideas challenges each student's thinking.

### **Orientation**

Long before the students arrive on campus, the faculty and staff are praying for them. In weekly prayer meetings, they ask God to direct the students of His choosing to ATS.

To help each new student adjust to seminary life, an orientation session for new students is scheduled each fall and spring.

### **Student Housing**

Limited on-campus housing is available to married and single students at the Rockland campus, with priority given to full-time students. Assignments for campus housing are based upon the date of the completed application for admission and the application for housing. Students are encouraged to complete the application process as early as possible to obtain the optimum consideration for housing.

Inquiries and applications for campus housing are made through the Housing Office located on the campus of Nyack College. This office also seeks to help students with information about off-campus housing opportunities.

Students may apply for residence in Jaffray Hall, Shepherd Hall, Barney Hall, and Hillside Terrace. Apartments are equipped with kitchen stoves and refrigerators. Laundry facilities and limited storage are also available.

Basic furniture, such as a bed, dresser and desk, may be supplied for single students. Married students are expected to supply their own furniture.

### **Employment**

Some on-campus work is provided through Nyack College and ATS employment. Part-time campus work is generally in the areas of maintenance of buildings and grounds, food service, bookstore, library and offices. Off-campus employment is readily available in the town of Nyack and the local vicinity, in both skilled and non-skilled positions. Available positions are regularly posted online at [www.nyack.edu/career](http://www.nyack.edu/career).

Because of Immigration and Naturalization Service regulations, international students on F-1 visas are limited to on-campus employment (20 hours per week while classes are in session; 40 hours during vacation times). Student spouses on F-2 visas are not permitted to work under any circumstances.

### **Ministry Opportunities**

Opportunities for ministry are available both on and off campus. The ATS chapel services afford students the opportunity of involvement through music, drama, speaking or preaching. Ministry opportunities, both paid and voluntary are available through local churches. Mission trips and international field education experiences provide occasions for ministry abroad.

## **CAMPUS AND COMMUNITY SERVICES**

### **Bookstore**

Students may purchase their books independently, or through a private vendor who comes to campus at the beginning of each semester.

The college bookstore, located in Boon Campus Center on the Nyack College Campus, stocks academic supplies, devotional books, music, greeting cards, sportswear and gifts. A special order service is provided for books and music not in stock.

### **Health Services**

A licensed Registered Nurse keeps regular office hours in the Health Services Office in Boon Campus Center on the Nyack College campus. Vaccines, allergy shots and minor health problems are treated during these hours. A hospital and an emergency care clinic are located nearby in Nyack. Consult the *Student Handbook* for details.

### **Health Insurance**

All full-time Rockland campus students must be covered by a health insurance plan, and must show proof of coverage at registration. For those students who do not have current insurance coverage, ATS

## ***Student Life and Services***

provides a health care insurance plan. Coverage is also available for the student's dependents. A brochure detailing the benefits is available in the Registrar's Office.

### **Post Office**

A United States Post Office is located in Boon Campus Center on the Nyack College campus. Hours are Monday-Friday, 8:30 a.m. - 4:00 p.m. Please consult the *Student Handbook* for further details.

### **Athletic Facilities**

The Nyack College athletic facilities are available to ATS students. The gymnasium, athletic field, field house and fitness center are located on the Nyack College campus. The gymnasium is available at the times posted for individual or intramural recreation.

### **The Wider Community**

A wider community outside of the Alliance Theological Seminary family influences the life of each student and offers many opportunities for involvement. A number of Christian and Missionary Alliance churches, as well as other evangelical churches are within convenient driving distance from the seminary. Resident students usually have little trouble finding churches where they can comfortably worship. Many students become members of local congregations, which become their church "home-away-from-home."

The Village of Nyack is a quaint town situated on the Hudson River. Although small, it fosters a cosmopolitan atmosphere without many of the difficulties of big-city living. Numerous cultural events, festivals, art shows and community activities take place throughout the year.

The Rockland campus is about a 45-minute drive from Times Square in New York City and an hour away from three major airports. The activities and places of interest in the city make it a vibrant and exciting place to visit. Many state and local parks are also in the area, where many enjoy the beautiful scenery of the Hudson River Valley.

### THE AFFORDABILITY OF ALLIANCE THEOLOGICAL SEMINARY

In a day of escalating graduate educational costs, ATS remains one of the most affordable evangelical seminaries. Consider the following factors:

- Employment opportunities are available in the vicinity, allowing students to find suitable part-time jobs.
- Students can choose a convenient payment plan by paying one-third of their semester bill at registration and extending payments over the course of the semester. A 1.5% service charge will be assessed on the remaining balance each month.

3-5 credits - \$140.00

6-8 credits - \$300.00

9-11 credits - \$440.00

Full-time students (12-15 credits) receive an award of at least \$1000 per semester.

## ***Federal Funds***

### **Stafford Loans**

Subsidized Stafford Loans are awarded to students who demonstrate financial need. Because the U.S. Department of Education subsidizes the interest, borrowers are not charged interest while they are enrolled in school at least half time and during grace and deferment periods.

Unsubsidized Stafford Loans are awarded to students regardless of financial need. Borrowers are responsible for paying the interest that accrues during any period. To apply online for Stafford loans, go to: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov).

### ***APPLICATION FOR FINANCIAL AID***

Students accepted to ATS (Rockland campus) who take at least 12 credit hours in a semester may apply for institutional financial aid. To be eligible for scholarships, grants, and graduate assistantships, a student must have a grade point average of 2.5 or greater (see King, Newbern, and Price scholarships for specific GPA requirements).

Students wishing to receive financial aid must complete the aid application process in order to be considered. . Endowed Scholarship applications are accepted online in January/February for the following academic year.

ATS, at both the Rockland and New York City campuses, uses the Free Application for Federal Student Aid (FAFSA) to determine eligibility and processing of Federal Student Loans. Apply online at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov).

Institutional scholarships are awarded in April for the following academic year. Limited aid may be available after this point.

### **SEMESTER PAYMENT OPTIONS**

Payment for each semester's charges is due, in full before a semester begins. Payments in full can be made online with a credit card at: [www.nyack.edu/payments](http://www.nyack.edu/payments). All financial aid processing requirements need to be complete in order to count pending loans as payment toward semester charges. The remaining balance can be paid in full by check; cash; or master, visa or discover credit card or through an automatic payment plan

#### **Automatic Payment Plan**

ATS is pleased to offer a convenient interest-free monthly payment plan through Nelnet Business Solutions. This Automatic Payment Plan provides students with a low cost option for budgeting tuition costs for each semester. Cost for the payment plan is \$32.50 for the semester plan. Payments will be charged on the 5<sup>th</sup> of every month. Once enrolled, all payments are made automatically from a checking, savings, or credit card account. Students enroll online at: <http://www.nyackcollege.edu/content/ATSPaymentPlan>.

### **FINANCIAL REGULATIONS**

#### **Change in Enrollment Status**

A change in enrollment status (i.e. adding/dropping classes) may change a student's eligibility for institutional and federal aid. Any student who drops below full-time status is not eligible for institutional aid (Rockland Campus). Any student who drops below half-time status is not eligible for federal loans.

In no case will students receive an award greater than their need as determined by federal standards. If a student's budget changes due to a loss of credits, federal loans may need to be returned.

#### **Withdrawal/Change in Enrollment**

Any change in a student's full-time status (12 credits per semester) may affect their eligibility to receive financial aid (loans) and or institutional grants and scholarships.

If the student withdraws from the seminary, federal regulations dictate a repayment policy for students receiving Title IV aid (Stafford loans). The Office of Student Financial Services will calculate the

## **Financial Information**

amount "earned" by the student by determining the percentage of the period of enrollment that was completed. Nyack College/ATS will return the FFELP Loans (Stafford subsidized and unsubsidized loans) to the lender as governed by U.S. Department of Education regulations.

### **Renewal of Aid**

Institutional aid is awarded yearly. Students must apply every year through the Office of Student Financial Services to be considered for scholarships. Federal loans must be applied for yearly. Students can apply on line at: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov).

### **Credit Balance Authorization**

Any "Credit Balance" on a student account will be used first to cover all education and non-educational-related expenses. If the remaining credit balance is the result of Federal Financial Aid the credit refund will be made to the student within 14 days. If the credit balance is not from Federal Funds it will remain on the student's account until the student notifies the Office of Student Financial Services by submitting a completed Credit Refund Request Form. The student must have a credit on their account over and above tuition, fees and rent for the current term in order for any refund to be processed (see page three from the housing handbook). Refunds will be processed within 7-14 days of the request. Students always have the option to request in writing that any credit balance funds remain on their account for the next semester by submitting that request to the office of Student Financial Services.

### **Payment of Account/Outstanding Balances**

Alliance Theological Seminary does not have invested reserves to apply to its operational budget. Therefore, students are not permitted to run accounts in arrears. We urge applicants and students to keep this in mind and make proper provision or arrangements to meet all financial responsibilities promptly.

Degrees, diplomas or transcripts of credits will not be provided to students who have any financial obligations to Alliance Theological Seminary. Students with an outstanding balance at the end of any given term may not register for the next semester and may not participate in commencement exercises.

### **Refunds**

Upon registration, students assume full financial responsibility for all charges for the semester. Withdrawal from the seminary, or dropping individual courses does not relieve the student from these obligations

## **Financial Information**

except for tuition charges refunded on the following scale (*withdrawal from classes, from the day the semester officially begins*):

Within one week	100% refund
Within two weeks	80% refund
Within three weeks	60% refund
Within four weeks	40% refund
Within five weeks	20% refund
More than five weeks	0% refund

For example, a student dropping a class, or fully withdrawing from the seminary, in the second week of a semester receives a refund of 80% of the semester's tuition fees. Refunds in the intensive short programs are made proportionately. Thus, three class hours in a three-credit class is considered one week in a semester.

### **SATISFACTORY ACADEMIC PROGRESS POLICY**

Federal and New York State regulations require Nyack College/ATS to establish and apply reasonable standards of satisfactory progress for the purpose of the receipt of financial assistance under the programs authorized by Title IV of the Higher Education Act. The law requires institutions to develop policies regarding satisfactory academic progress (SAP). Each institution must design criteria, which outlines the definition of student progress towards a degree and the consequences to the student if progress is not achieved. ATS students who wish to be considered for financial aid must maintain satisfactory progress in their selected course of study as set forth in this policy.

**Academic Policy:** Incomplete course grades and withdrawals are not counted toward the grade point average component of the standard but along with course repetitions are used in measuring the academic progress of credits completed. Only the second grade of a repeat course counts in the calculation of the student's GPA. Refer to the Academic Policy section of the Nyack ATS catalog for more detailed information regarding courses, grading standard and graduation.

**Institutional Policy:** Satisfactory academic progress includes both a qualitative (grade point average) and quantitative (number of credit hours completed) measure of the student's progress plus a maximum time frame to not exceed 150% of the program measured in academic terms and credit hours attempted. The Student Financial Services/Registrar Offices will assess the student academic progress at the end of every term for all federal and institutional aid programs.

## **Financial Information**

**Grade Point Average:** To receive financial aid, a student must maintain a minimum qualitative measure of progress defined as cumulative GPA. The minimum cumulative GPA is 2.5/4.0.

**Credit Hour Completion (Incremental Progress):** Students are also required to meet a measure of incremental progress. Students in a degree program must complete a minimum of 12 hours per academic year or within 12 consecutive months from date of enrollment in order to be eligible for federal student loans for the following year.

**Maximum Time Frame Limitation (Degree Completion):** Students are also subject to a quantitative measure of progress. Master of Divinity students are eligible for federal student aid for eight calendar years from the time of matriculation. Master of Professional Studies students are eligible for federal student aid for four calendar years from the time of matriculation. Master of Arts students are eligible for federal student aid for five calendar years from the time of matriculation.

**Institutional Procedures:** Students are notified of the SAP policy in the seminary catalog, various mailings, and along with their annual financial aid award letter.

**Transfer Students:** When a student transfers to ATS the academic office will determine the number of credit hours acceptable toward a seminary degree program. The standard of progress will begin at the appropriate point on the SAP chart according to the number of credit hours transferred.

**Financial Aid Probation and Termination for Title IV FSA:** The first time a student does not meet the standards of satisfactory progress at the end of the academic term will automatically be placed on financial aid probation for the following academic term. Federal financial aid may still be received during the probation period. At the end of the probation period, the student must again be making satisfactory academic progress or financial aid will be terminated. If the student doesn't meet the satisfactory progress standards as of the end of the probationary term they lose eligibility for any subsequent terms until the student has reestablished financial aid eligibility.

**Reestablishing Financial Aid Eligibility:** Students who have had their financial aid terminated due to lack of satisfactory academic progress may choose to enroll without benefit of financial aid. Students may also choose to attend another institution and transfer in the specified needed number of credits earned toward a degree at ATS that will bring them in line with the quantitative standards of the SAP policy. Transfer credits will not be used to meet the qualitative or GPA standards of the policy. Such students may request a review of their academic record after any term in which they are enrolled without the receipt of financial

## **Financial Information**

aid to determine whether they have met the satisfactory academic progress standards. If the standards are met, financial aid eligibility is restored for subsequent terms of enrollment. Students should consult with a financial aid counselor in the Office of Student Financial Services if they have any questions about this policy, the appeal process, or reinstatement of financial aid eligibility.

**Appeal Process:** Any student who is denied Federal financial aid at the end of the financial aid probationary period or does not meet the SAP standard and who can prove special circumstances i.e. serious injury or illness, or death in the family, is allowed to appeal their case. An appeal letter may be submitted with supporting documentation, if required, to the Provost Office to request a waiver of the SAP standards for a semester. The Provost, Registrar, and Assistant Treasurer will make the final determination if Federal Aid will be restored for one semester or if the appeal will be denied. If the appeal is approved the SAP standards are suspended for that student.

**Notification:** The following schedules represent minimum academic standards that must be met by fulltime students (12 or more credits) in order to be eligible for Title IV Federal Student Aid (Stafford Loans). Students are notified in writing if they have failed to meet the standards along with implications and actions required to maintain or reestablish financial aid eligibility. Students taking a part-time load are pro-rated based on the full-time standards.

**RESIDENT FACULTY**

The ATS faculty is a group of scholars who care deeply about students and their development as effective ministers in today's complex world. They see education as more than the communication of facts and ideas; it is the shaping of individuals. Faculty members are involved in students' personal and academic lives. At any given time, they may be together discussing ideas, laughing, worshipping, planning or praying for each other's concerns. This, perhaps more than any other aspect, characterizes the commitment of the ATS faculty. By example they demonstrate what it means to live holy lives unto a holy God.
