

## APPLICATION FOR NYACK HONORS PROGRAM

Honors Program Ethos: While it is understood that those students selected for the honors program show promise for high achievement in college based on their high school record, the leaders of the Nyack Honors Program recognize that each Nyack College student is uniquely gifted and called to contribute and participate in the Nyack College community. An Honors Program student will be challenged to engage in more in-depth study, to integrate ideas from many areas of study, to examine personal and historic claims of knowledge, and to participate in Honors activities and successfully fulfill Honors Program requirements.
