

Nyack Miami Valley Campus Office Changes

Fairhaven Church, which has provided our office space for the past eight years, has begun a major building project. The construction (currently more like de-construction) will impact our office space for certain but the details and timing are still uncertain.

By April 1st (no April Fool!) our current office location will no longer be available. Dan Noel and Ann Barr will be working from another location at Fairhaven Church, their respective home offices, or some combination of the two. Both Dan and Ann still will be available for you and will maintain the security of your records. You will still be able to contact us by phone and email, and can make an appointment to meet in person. Our mailing address will stay the same until June 30, 2009, when the campus officially closes.

For updates on the impact to our office, visit our web site at www.nyack.edu/ohio or call us at 937-435-4808.

Transfer to New York

We're in the home stretch of our time in Ohio. At some point, student records will be transferred to our campus in Nyack, and students who still need to complete degree requirements will work with the fine folks at our campus in Nyack, NY.

Our focus will become more on our final Ohio graduation. Ann will continue working with students likely to participate in the graduation ceremony on June 13, 2009. Your particular situation will determine when your point of contact and student record will transfer to New York.

Three categories have been identified: 1- Students who are likely to finish by June 2009 or are currently students; 2- Students who may or may not finish by June 2009; 3- Students who are not likely to finish by June 2009. The enclosed letter gives more detail about what this means for you.
